

Tuition Fee Structure

Fees are paid by the term. As the number of weeks in each school term will vary, invoices will be calculated according to the number of weeks in the term, less any public holidays. Therefore you are always only paying for classes that are actually running.

Our rates have a sliding scale of discount built in, so the more classes you do, the higher rate of discount is applied. Tuition paid by the due date only, will be eligible for the early bird rate displayed. Outstanding invoices after the due date will incur an automatic extra 10% of the total invoice as a "post early bird rate"
